LIST OF TABLES

European access and changing Hungarian regional policy

Table 1	Transitions of the Hungarian regional policy at the end of the 20th century	16
----------------	---	----

The new administrative division of Poland

Table 1	Basic information on the new voivodships, 1998.....	39
----------------	---	----

The role of transport corridors in European integration

Table 1	Increase in the number of passenger cars in some European states, 1960-1995	43
Table 2	Increase in the number of trucks in some European states, 1960-1995.....	44

Transformations of the migrational processes in Poland (1988-1994)

Table 1	Migration attractiveness, 1988.....	54
Table 2	Migration attractiveness, 1994.....	54

The Hungarian banking system and regional development in transition (1987-1997)

Table 1	Proportion of foreign capital in the Hungarian banking system	70
Table 2	Annual balance sheet footings and number of employees in the Hungarian banking, 1991-1996.....	75
Table 3	Banking services in the Hungarian cities, 1996	80

Electoral geography in Poland

Table 1	Electoral results of the Left, 1990-1997	90
----------------	--	----

Geographical patterns of the 1998 Hungarian parliamentary elections

Table 1 Distribution of votes for party-lists in the post-communist elections 98

Some aspects of regional development from below

Table 1 Characteristics of development controlled from
above and from below 136

LIST OF FIGURES

European access and changing Hungarian regional policy

Figure 1	Institutional system of regional policy in Hungary	15
Figure 2	Eligible areas in Hungary, 1996.....	20
Figure 3	Population of eligible areas by regions, 1996.....	21
Figure 4	Various designation of regions in Hungary	27

The new administrative division of Poland

Figure 1	Cities with over 50 000 inhabitants, 1950	35
Figure 2	Cities with over 50 000 inhabitants, 1995	36
Figure 3	The average density of population in the new voivodships, 1998	37
Figure 4	The average density of population in the <i>powiat</i> of the Mazovian voivodship, 1998	40

Transformations of the migrational processes in Poland (1988-1994)

Figure 1	Total net inter-voivodship and international migrations, 1988.....	52
Figure 2	Total net inter-voivodship and international migrations, 1994.....	53
Figure 3	Migration attractiveness of Polish voivodships, 1988	55
Figure 4	Migration attractiveness of Polish voivodships, 1994	57

New factors in the differentiation of the Hungarian settlement network

Figure 1	Spatial dispersity of main factor points of general analysis	63
Figure 2	Diffusion of dynamic (3rd) factor and the Hungarian road network	64
Figure 3	Special factor of village analysis	66
Figure 4	Developed towns and developed small regions.....	67

The Hungarian banking system and regional development in transition (1987-1997)

Figure 1	Hungarian urban hierarchy based on financial functions, 1910.....	72
Figure 2	Branch network of Hungarian commercial banks, 1997.....	74
Figure 3	Distribution of banking network among Hungarian regions, 1996	76
Figure 4	Spatial distribution of branches in Budapest, 1996	78

Figure 5	Banking network density of Budapest	78
Figure 6	Density of the Hungarian banking network, 1995	79
Figure 7	Banking network of Hungarian cities, 1996	82
Figure 8	Banking network of Hungarian county seats, 1998	82

Electoral geography in Poland

Figure 1	Election turnout, 1989	88
Figure 2	Election turnout, 1997	88
Figure 3	Partition of the present Polish territory in the 19th century.....	89
Figure 4	Results of the Solidarity movement, 1989 (Senate)	91
