## CONTENTS

Preface – James Scott .....	9
Introduction – Béla Baranyi .....	11
I Background study of the Hungarian–Romanian and the Hungarian–Ukrainian border regions	
1 Hungarian–Romanian border region .....	12
1.1 Historical dimension .....	12
1.2 Legal dimensions .....	15
1.3 Political dimension .....	20
1.4 Economic dimension .....	23
1.5 Social dimension.....	34
2 Hungarian–Ukrainian border region.....	43
2.1 Historical–geographical dimension .....	43
2.2 Legal dimensions .....	46
2.3 Political dimension .....	52
2.4 Economic dimension .....	54
2.5 Social dimension.....	59
II Hungarian–Romanian and Hungarian–Ukrainian cross-border co-operation	
1 National level.....	68
2 Subnational level .....	71
2.1 Regions (NUTS 2).....	71
2.2 County level relations (NUTS 3).....	71
2.3 Micro-regional co-operations (NUTS 4) .....	74
2.4 Cross-border co-operations at municipal level .....	74
2.5 Other institutional relations .....	75
3 Border region location and cross-border relation – as seen by the inhabitants.....	78
3.1 The impressions of the population of the border region about the border and the neighbour country .....	81
3.2 Border region as the scene of everyday life.....	85
3.3 Relations of the citizens of the border region to the neighbour country .....	92
3.3.1 The development of the relations in time .....	93
3.3.2 Character of the cross-border citizen relations .....	94
3.4 The issues of the EU accession as seen by the population living in the border region.....	94
3.5 The role of Euroregions along the East Hungarian borders.....	98

III Results of Empirical Work in the Hungarian–Romanian and the Hungarian–Ukrainian Border Regions	
1 Results of the questionnaire survey carried out in the Hungarian–Romanian and the Hungarian–Ukrainian border region .....	102
1.1 Short description of the research .....	102
1.2 Types and levels of economic interaction.....	102
1.3 Immigration and social interaction .....	105
1.4 Identifying barriers to interaction and cross-border co-operation.....	107
1.5 Perceptions and images of the others.....	111
1.6 Evaluation of policies of cross-border co-operation .....	113
1.7 Expected effects of greater cross-border interaction and co-operation .....	115
1.8 Expected effects of EU enlargement on the region.....	116
1.9 Summary.....	117
2. Cross-border relations – perceptions of the border and the cross-border co-operations .....	118
2.1 Present situation, internal and external factors determining co-operations.....	118
2.1.1 Local problems .....	118
2.1.2 National level problems.....	122
2.1.3 Judgement of foreign policy .....	123
2.2. Cross-border co-operations and regional correlations .....	125
2.2.1 The role of the border and the cross-border relations in the everyday lives of the interviewees .....	125
2.2.2 Common tasks, problems that require cross-border co-operation .....	126
2.2.3 The dominant actors of cross-border relations .....	128
2.2.4 The motivations of the relations .....	129
2.3 Perceptions .....	130
2.3.1 Associations relating to the border and the border region .....	130
2.3.2 The border region as a separate region? .....	131
2.3.3 “Us” and “others” – similarities and differences between those on the two sides of the border .....	132
2.3.4 Assessment of the economic situation on the other side of the border ...	133
2.3.5 Visa-free border traffic and open borders.....	134
2.4 Cross-border co-operations in practice .....	135
2.4.1 Ongoing and finished projects, the financial grounds of co-operations .....	135
2.4.2 Partnership, conflicts, and communication strategies .....	136
2.4.3 Efficiency or opportunities missed? .....	137
2.4.4 Relations that can be expanded, actors who can be involved.....	138
2.4.5 Initiators and beneficiaries .....	139
2.4.6 The limits to co-operation .....	141

2.5	Cross-border co-operation strategies, guidelines .....	143
2.5.1	Bottom-up building or central influence, or which level is more active?.....	143
2.5.2	The organisational background of co-operations – Euroregions and their partners.....	144
2.5.3	Local resources, or external assistance? .....	146
2.5.4	Principles and procedures to be changed.....	146
3	Summary of the research findings .....	148
3.1	Findings of the preliminary research .....	148
3.2	The presence of the border region and the cross-border relations in planning documents.....	151
4	Conclusions, good practices, recommendations .....	158
IV Annexes		
1	Main publications prepared within the framework of the EXLINEA program and forthcoming publications 2003–2005 .....	163
2	References .....	168

## List of figures

Figure 1	The Hungarian–Romanian border region.....	16
Figure 2	Euroregions in the Hungarian–Romanian border region.....	19
Figure 3	Gross domestic product, 2001.....	24
Figure 4	Unemployment rate (ILO standard, end of year).....	30
Figure 5	Personal traffic across the checkpoints of the Hungarian–Romanian border, 1989–2001.....	33
Figure 6	Ethnic composition of population in North and South Great Plain, 2001.....	37
Figure 7	Hungarians in Romania, 2001.....	39
Figure 8	The Hungarian–Ukrainian border region.....	46
Figure 9	The Carpathian Euroregion with its existing euroregion-type interregional organisations.....	51
Figure 10	Unemployment rate, based on the number of registered unemployed, 1992–2003.....	57
Figure 11	Personal traffic across the checkpoints of the Hungarian–Ukrainian border between 1988 and 2001.....	58
Figure 12	Hungarians in Transcarpathia, 2001.....	63
Figure 13	The number of museum visitors and the audience of theatres and cinemas in the North Great Plain Region, 1998–2003.....	66
Figure 14	The position of borderland settlements in Hajdú-Bihar and Szabolcs-Szatmár-Bereg counties.....	76
Figure 15	The characteristics of cross-border relations in the settlements situated near the border in the North-Eastern part of the Great Hungarian Plain (based on frequency of mentioning), 1998; 2002.....	77
Figure 16	The official relations of the University of Debrecen in Ukraine and Romania.....	78
Figure 17	The settlements involved in the survey in the Hungarian–Romanian and Hungarian–Ukrainian border region.....	80
Figure 18	The benefits of border situation in the settlements along the Hungarian–Romanian border involved in the survey, 2002.....	87
Figure 19	The benefits of border situation in the settlements along the Hungarian–Ukrainian border involved in the survey, 2001–2002.....	88
Figure 20	The disadvantages of border situation in the surveyed settlements in the Hungarian–Romanian border region, 2002.....	89
Figure 21	The disadvantages of border situation in the surveyed settlements in the Hungarian–Ukrainian border region, 2001–2002.....	90
Figure 22	The distribution of potential new habitations of local people along the Hungarian–Romanian border, 2002.....	91
Figure 23	The distribution of potential new habitations of local people along the Hungarian–Ukrainian border, 2001–2002.....	92

Figure 24	Characteristics of connections between the neighbouring countries (based on frequency of mentioning), 2001–2002.....	95
Figure 25	The opinions of local inhabitants about Hungary’s accession to the European Union in the surveyed area, 2001–2002.....	97
Figure 26	Knowledge of the goals and functions of the Carpathian/DKMT Euroregion in the settlements near the Hungarian–Romanian border, 2002 .....	100
Figure 27	Knowledge of the goals and functions of the Carpathian Euroregion in the settlements near the Hungarian–Ukrainian border, 2001–2002 .....	101

## List of tables

Table 1	Employment, by activity of national economy (end of year).....	24
Table 2	Unemployment rate, based on the number of registered unemployed, 1992–2003.....	29
Table 3	Population and population density, 1988–2003 .....	35
Table 4	Natural increase per 1000 inhabitants, 1988–2003 .....	36
Table 5	Emigrants by nationality and country of destination in Romania, 1990–2000.....	40
Table 6	Repatriated by nationality and country from where they repatriated in Romania, 1990–2000 .....	41
Table 7	Population by area, 1988–2003 .....	42
Table 8	Hospital beds per 10 000 inhabitants, 1990–2003 .....	44
Table 9	GDP per capita at current prices, in US dollars, 2001.....	55
Table 10	Inhabitants number, population density and natural increase, 1998–2003.....	60
Table 11	Urban population as percentage of total, 1988–2003 .....	61
Table 12	Ethnic composition of Transcarpathia, 2001.....	62
Table 13	Ethnic composition of Ukraine, 2001 .....	64
Table 14	The distribution of schools in Transcarpathia according to the language of instruction, 1989–2001 .....	65
Table 15	Number of hospital beds per 10000 inhabitants, 1995–2003 .....	66
Table 16	Associations of ideas in Romania related to Hungary, 2002.....	81
Table 17	Associations of ideas in Hungary related to Romania, 2002.....	82
Table 18	Associations of ideas in Hungary related to Ukraine, 2002 .....	84
Table 19	Associations of ideas in Ukraine related to Hungary, 2002 .....	85
